RESPONSIBLE RECRUITMENT PROGRAM

Understand the business benefits, responsibilities and best practice associated with responsible recruitment practices in US fresh produce.

## TRAINING OVERVIEW

Implementation and continuous improvement of responsible recruitment practices not only ensures workers are safeguarded, but enhances the reputation of businesses, and ultimately protects the livelihood and sustainability of the US fresh produce sector.

This participatory and action planning training combines data-backed presentation, hands-on demonstration of the [Responsible Recruitment Toolkit](#) online tool, peer-to-peer discussions, and small group exercises.

## BY THE END OF THE COURSE YOU WILL KNOW HOW TO:

- ✓ Protect your business and workforce from unethical recruitment and hidden labor exploitation
- ✓ Recognize how adopting responsible recruitment practices will help you address current market challenges, continuously improve and differentiate your business with your customers
- ✓ Access the resources and tools that are freely available to support you to implement, adopt and oversee responsible recruitment

## FREE PLACES AVAILABLE
